## WRRRA Advertising Form

Thank you for your interest in WRRRA by Advertising in one or more of our communication vehicles:

- Our Quarterly Newsletter – Published every 3 months and posted to our website, and received by all our WRRRA members (and others who visit our website)
- Biannual Telephone Directory – A copy is given to be kept at the cabin of every member, and an additional copy given to every member for their resident home. The Directory is accessed regularly for membership information and names and phone numbers of service providers.
- Website Advertisement – Ads are placed on the home page, so advertiser information is often one of the first things seen by those accessing the website.

WRRRA leadership encourages members to choose our advertising partners when selecting their service providers, and most all of our advertisers return year after year to ensure their name is seen by our WRRRA members!

To advertise, please complete the following form, and send a check made out to WRRRA, to:
